

MANGESH VEDPATHAK

Test Engineer | Manual & Functional Testing | Agile Methodology | JIRA Expertise

vedmangeshg@gmail.com • linkedin.com/in/mangesh-vedpathak • Pune, India

Summary

I am a dedicated and detail-oriented Test Engineer with 4 years of experience in software quality assurance. My expertise lies in manual and functional testing, identifying defects, and collaborating with cross-functional teams to ensure software applications meet quality standards. I excel in creating and executing test cases and documenting testing phases, ensuring functionality aligns with requirements.

Experience

Globalstep Services Pvt Ltd

Pune

Test Engineer

11/2021 - 08/2025

- Created and executed comprehensive test cases, ensuring full test coverage across multiple game platforms.
- Conducted thorough testing of pre-release and post-release game software, identifying defects, inconsistencies, and gameplay issues.
- Collaborated closely with developers and designers to provide feedback on gameplay mechanics, user interface, and overall user experience.
- Utilized various testing methodologies, including functional, regression, and compatibility testing, to validate game functionality and performance.
- Documented and reported defects using JIRA, ensuring clear communication and resolution of issues.
- Conducted post-release/post-implementation testing to ensure ongoing quality.
- Assisted new joiners with training materials.

Gamecloud Technologies

Pune

Game Tester (Intern)

08/2021 - 11/2021

- Completed a comprehensive training program focused on manual game testing methodologies, bug reporting techniques, and quality assurance processes.
- Participated in test case execution, defect tracking, and regression testing under the guidance of experienced testers and mentors.
- Contributed to the identification and documentation of defects, gameplay issues, and user interface inconsistencies, ensuring adherence to quality standards.
- Gained proficiency in using bug-tracking tools like Jira to document and manage defects.

Education

GH Rasoni Institute Of Engineering & Technology, Pune

Pune

Bachelors In Mechanical Engineering

07/2019 - 05/2022

Strengths

 Adaptability Capable of adapting to new challenges and learning quickly.	 Continuous learning Committed to continuous learning and self-improvement.	 Patience Exhibits patience while working on complex problems and tasks.
 Attention to detail Attentive to detail, ensuring high quality in all tasks.	 Teamwork & collaboration Works effectively with others to achieve common goals.	 Communication Communicates ideas and information clearly and effectively.

Key Achievements

 Defect Identification Identified and logged over 200 defects, improving software quality by 25%.	 Mentorship Efficiency Mentored 5 new team members, improving onboarding efficiency by 40%.	 Bug Reduction Success Reduced post-release bugs by 20% through thorough regression testing and collaboration.
