AxelGuard

Our Goals

Goal # 1

To be the best supplier in quality than a quantity company.

Goal # 2

To be the biggest surveillance giant in the market.

Goal # 3

To be the cheapest and affordable product with the quality assurance

Our Milestones

AxelGuard took the lead in launching many path-breaking products in its first few years of existence itself. In around 2019, the launch of MDVR, Dashcam, GPS, camera the total Security and Surveillance Structure of AxelGuard.

In AxelGuard brand-new generation MDVRs based on latest platform had a shining debut. Once these MDVRs came to public eyes, they've received popular positive feedbacks from distributors and direct customer around the world.

Recently we have upgraded our security & surveillance domain by launching MDVR and Cameras with outstanding features and specifications where as the Wi-Fi based cameras are just a plug-n-play model for every end user.

In this journey of 4 years we have catered thousands of clients across multiple vertical of industry.
