EDUCATION

Computer Engineering, SVKM's IOT, Dhule
6.6/10 CGPA (Current)

2021 – 2025

PROFILE

A highly motivated Software Engineer who approaches tasks with enthusiasm and consistently meets deadlines. Skilled at simplifying complex problems and eager to acquire knowledge from diverse sources.

SKILLS

Languages: — Java, C, Python **Technologies/Frameworks:** — Spring Boot, JDBC, Java Socket Programming

Database: — MySQL.

PROJECTS

GymMate, *Gym Management System for Gym Owners* 

- Developed a backend application using Spring Boot to allow gym owners to manage customer records.
- Integrated Spring Security for robust authentication and authorization, ensuring only Verified admins can access the system.
- Created RESTful APIs to enable the admin to add, view, and update customer records.
- Integrated MySQL for efficient data storage, handling customer records, payment status, and membership expiration.

Student Profile Website, *Developed a web application to connect college students for project collaborations based on their expertise*

- Built the backend using Spring Boot to manage CRUD operations and user authentication.
- Integrated MySQL for database Management, enabling dynamic functionality to support user Interactions.
- Implemented Designed and a user-friendly system to help students filter and find project collaborators based on specific skills and interests.

Street Food Stalls, *Developed a web application that lists street food stalls, enabling customers to search and explore various street food options on our website* 

- Designed and implemented HTML pages to structure the website's content.
- Developed a search algorithm using JavaScript to enable efficient discovery of stalls.
- Hosted the project on GitHub for public accessibility.

ACHIEVEMENTS

Awarded a certificate for participating in **Sun Hacks 2024**.

Earned a certificate for qualifying in the **District-level Project Competition**.

Achieved 3rd place in the College **Quiz Competition**.

EXTRACURRICULARS

Led the **Chalk of Shame** initiative.

Active member of **Dhule Plogger**.

Participated in tree plantation drives.
