Softwares Pvt. Ltd

**We are bound to place you....**

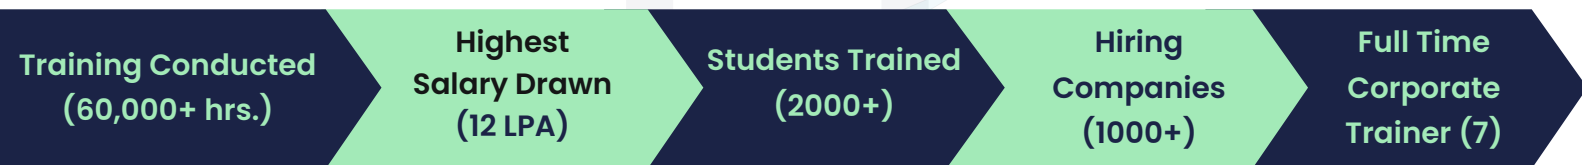

**"Master Java Full Stack: Code, Create, Conquer!"**

# **JAVA FULLSTACK DEVELOPMENT COURSE**

Welcome to **HefShine Softwares Pvt. Ltd.**, where innovation meets excellence in the realm of software development. Established with a vision to revolutionize the tech industry, HefShine Softwares is a beacon of creativity, expertise, and relentless dedication to crafting cutting-edge solutions that transcend boundaries and redefine possibilities. Join us as we embark on this exciting adventure, where each line of code, each design element, and each innovation brings us closer to our vision of a smarter, more connected future. Welcome to **HefShine Softwares**, where brilliance knows no bounds.

## Our Key Figures

- **Eligibility Criteria:**

Any Graduates 2025 and before pass-out.  
(Candidate appearing for final year can also apply for internship program)

- **Job Ready Duration:**

6 Months (time duration depends on level clearance)

- **Mode of Training:**

Offline

- **Placement:**

Unlimited Calls till your Placement

## Career Journey with HefShine Softwares Pvt. Ltd.

1. Enroll with HefShine Softwares Pvt. Ltd.
2. Engage in the training itinerary – Regular Attendance, LMS Task for Practice
3. 90% Practical Oriented
4. Resume Preparation
5. Mock Interviews
6. SoftSkill
7. Projects
8. Certification
9. Unlimited Placement Call

**(Kick start your IT Career)**

# Technologies in the course ( Full Stack Development)

- **Core Java** (3 Months)

Introduction, Basics of Java, Control Statements, Iterations, OOPS, Access Modifiers, Methods, Constructors, Inheritance, Containment, Abstraction & Interfaces, Arrays, Strings, Exception Handling, Multithreading Collections –list, Collections Set, Queue, Collections, Sorting, Collections Map.

- **SQL** (15 days)

Introduction, Data types and Constraints, Statements in SQL, Data Query Language (DQL), Sub Query, JOINS, Data Manipulation Language (DML), Data Control Language (DCL).

- **Spring Boot** (1 Month)

Spring Framework, Spring Boot, Spring Data- JPA

- **Angular** (15 Days)

HTML/ HTML5, CSS / CSS3, Typescript, JavaScript, Angular 8.

- **Soft Skills** (Twice a Week)

Aptitude, Communication Skills, Personality Development, Interview Preparation

- **Basic of AWS** (EC2)/ Google Cloud

To build, deploy and manage web applications on Secure & Reliable network

- **Project**

Individual project development using Spring Boot, Angular & SQL Host the same on Google Cloud and add its URL & QR code the CV.

## Programming Languages and Tools Covered :

# Why we are best in Training

- **Student Testimonial**
- **Student Braistorming Session**
- **Guest Lecture**
- **Technical Mock & HR Mock**
- **Revision Lecture**
- **Homework Checking**
- **Soft Skill Session**
- **Public Speaking**
- **Every Saturday Test**
- **Lecture's Feedback**

Here's why you should consider enrolling in **HefShine**:

**Fees:**

**1. Affordable Fees and Financial Assistance:** HefShine offers reasonable fees and provides financial aid to ensure education is accessible to all.

**2. Inclusive Admission Criteria:** There are no educational barriers; even commerce students are welcomed and successfully placed in IT fields.

**Training:**

**3. Comprehensive Foundation Building:** HefShine Thoroughly explains every concept, program, or exercise, ensuring a solid understanding from the ground up.

**4. Industry-Relevant Curriculum:** The curriculum is tailored to meet industry demands, ensuring graduates are well-prepared for the workforce.

**5. Practical Learning Approach:** With 80% emphasis on practical learning, students gain hands-on experience vital for their careers.

**6. Continuous Practice:** Daily homework and varied tasks ensure continuous learning and mastery of skills required in the industry.

**7. Personalized Homework:** Tailored assignments cater to individual skill levels, ensuring everyone gets the right level of challenge.

**8. Mock Interviews:** Mock interviews prepare students thoroughly for technical and HR aspects, making them placement-ready.

**9. Soft Skills Training:** Dedicated trainers and schedules for soft skills ensure students are well rounded professionals.

**10. Continuous Learning Support:** The learning process continues until placement, ensuring students are fully equipped for their careers.

**11. Feedback Mechanism:** Regular feedback sessions ensure that student concerns and progress are addressed promptly.

**12. Public Speaking Practice:** Public speaking skills are developed, which is invaluable for professional growth and job success. Learning Management System LMS:

**13. Robust Learning Management System (LMS):** The LMS tracks progress comprehensively, identifying areas of improvement and guiding students accordingly.

**14. Regular Assessments:** Weekly tests align with interview requirements and help Evaluate readiness for placement.

**15. Consolidated Test Results:** The LMS maintains a record of all tests, offering insights into areas of strength and areas needing improvement.

**Placement:**

**16. Placement Assistance:** HefShine provides unlimited support for placement, ensuring students have access to opportunities. (AP got 378 Drives)

**17. Preparation for Interviews:** Specialized preparation sessions before each placement drive enhance students' interview skills.

**18. CV Workshops:** Workshops on CV writing ensure students present themselves effectively to potential employers.

**19. Job Security:** Post-placement assistance for three years offers security and guidance as students navigate their careers.

**20. Impressive Placement Records:** With over 1000 placements in the last 2.5 years, HefShine has a proven track record of successful placements.

**21. Extensive Industry Network:** Connections with over 500 IT companies nationwide provide ample job opportunities.

**22. Reputed and Credible Institute:** HefShine have proven track record of training and placement.

**23. High Package Offerings:** The institution has secured high starting packages for its graduates, with the highest being 10 lakhs as a fresher.

**Celebration:**

**24. Campus Celebrations:** In addition to academics, HefShine encourages a vibrant campus culture through various celebrations and events, promoting a sense of community and enjoyment.

# Resume Building

SWAROOP SHANKAR RAJAPURE

## Objective

I wish to work in a organization that will contribute to my professional and personal growth while I contribute to the growth of the company as well as engage in opportunities to further the company's goals.

That sounds like a great review! Here's another perspective:

"I recently completed the Hefshine Software classes, and I must say, it was a transformative experience. The instructors' depth of knowledge and their ability to simplify intricate topics were impressive. The course structure, with its mix of theory and hands-on projects, was well-balanced, ensuring a thorough understanding of the material. I feel much more confident in my software development skills now, thank to Hefshine. Highly recommended!"

I wanted to take a moment to express my sincere appreciation for the outstanding efforts of your Training and Placement Office (TPO) team and trainers. The mock, technical interviews and various tasks provided for practice have been immensely beneficial in honing our skills and preparing us for real-world challenges. The dedication and expertise of the trainers have truly made a positive impact on our learning journey.

I believe that the structured approach to interview preparation and the opportunities provided to solve tasks have significantly contributed to the development of students' technical proficiency and confidence. Thank you once again for your commitment to our success and for providing such valuable resources.

Good team they provide full support in everything from academic progress to placements.Also they have spacious classrooms.Great class.

**krishna kale**  
1 review

★★★★★ a month ago

First of all .I am so greatfull to all to all trainers of HefShine Softwares . As I am from Non -CS Background (Chemistry), at the initial stage I was not familiar with Java coding, But trainer helps me a lot to build my coding concepts from very basics to advanced.

Apart from coding, I also wants to give special thanks to all TPO member's for their constant efforts for placement.

hefshine give me the first interview call and i got placed in xiphias software technology in bangalore and i have completed two month internship there and that company was not paying salary on time so that i left that job and came to hefshine. So hefshine immediately gave me an interview call in one week and I got placed again in Whizible (Lifeline Systech Solution Pvt. Ltd) Kothrud, Pune

I am very happy to be a part of this HefShine family .

Thank you...
