

GameDevUtopia

PRESENTS

GLITCHED

When:

17,18&19th February

Where:

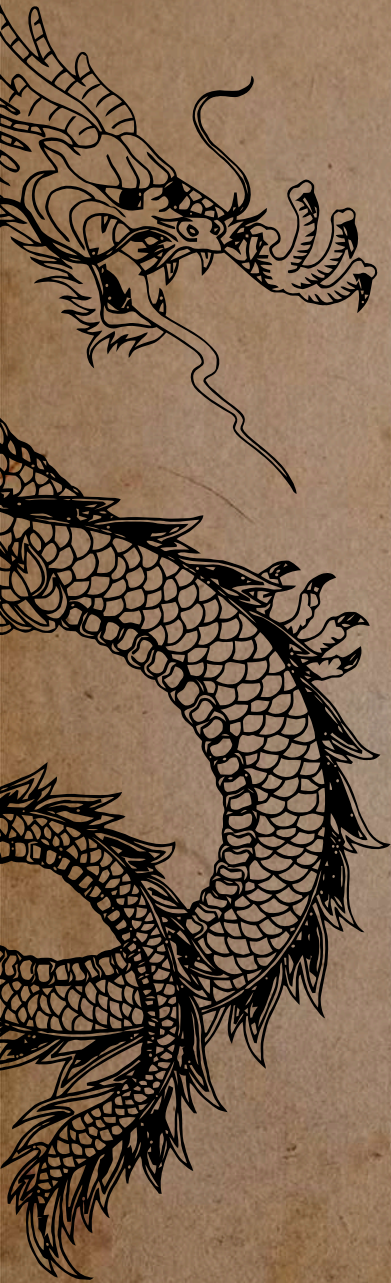

PICT CAMPUS

ABOUT US

GameDevUtopia is a student-run game development community based at the Pune Institute of Computer Technology.

Our vision is to become India's leading game development community, welcoming members of all ages and backgrounds while providing them with industry-level expertise.

Our mission is to nurture a vibrant community of passionate individuals committed to video game production. We aim to empower our members with the knowledge, skills, and resources needed to create innovative and impactful games.

GLITCHED

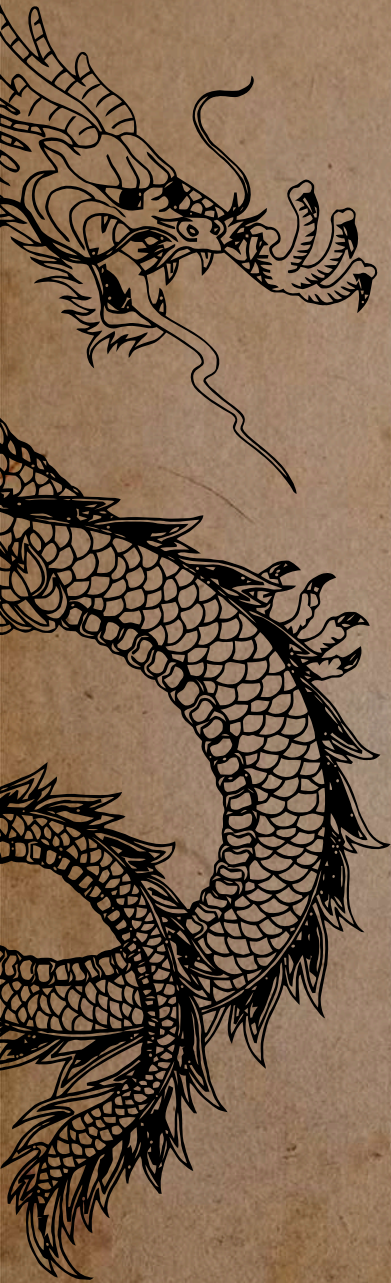

Glitched is an electrifying event hosted by GameDevUtopia PICT. Join us in celebrating innovation in game development, featuring insightful guest lectures by industry experts, engaging competitive programming, exciting Game and Art Jam's and exhibitions that showcase the creative works of our club.

GUEST SESSION

DUNGEON DEVS

-A Game Development Hackathon

In collaboration with IIT Ranchi,
Dungeon Devs invites developers to
an exhilarating Game Jam where
innovation and competition collide.

With a ₹15,000 prize pool,
participants must craft engaging,
playable games within a limited
timeframe, pushing boundaries and
experimenting with bold ideas.

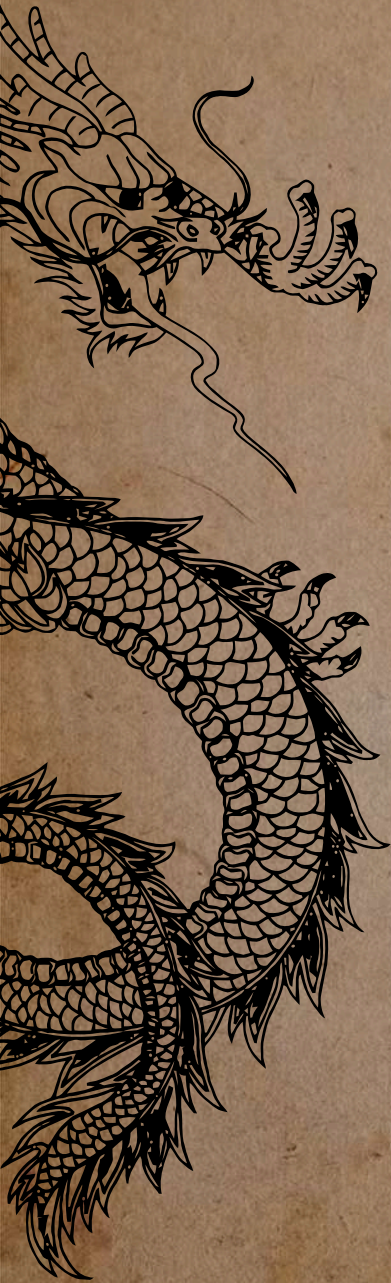

Whether you're an experienced
developer or a curious newcomer,
this event offers a platform to
unleash your potential, showcase
your creativity, and compete with
the best. Don't miss the chance to
create, innovate, and shine—join us
for Dungeon Devs and take your
game development skills to the
next level!

PIXELATE

-A Digital Arts Contest

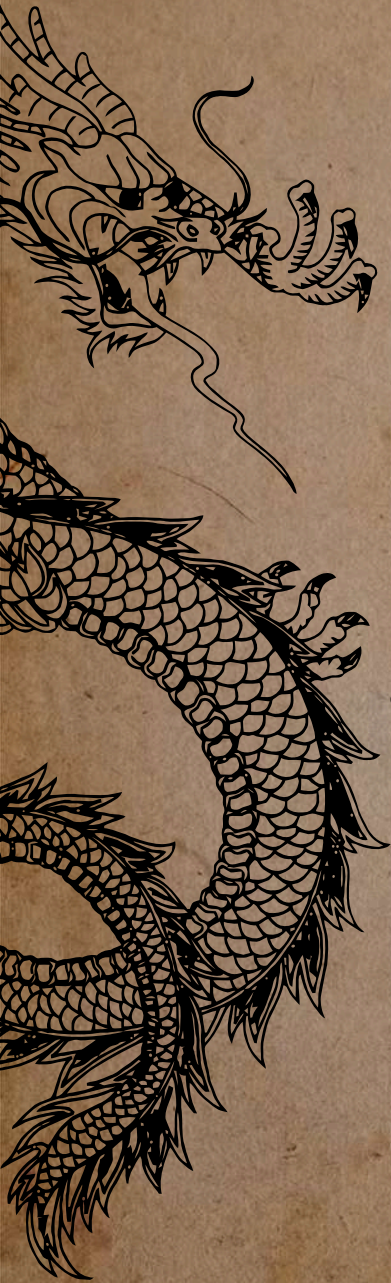

Join us for an exciting online event that invites artists to create captivating game-themed artwork. With a prize pool of ₹10,000, this dynamic competition rewards the most imaginative creations. Show off your creativity and let your imagination shine!

ODYSSEY

-Competitive Programming

Get ready for an exciting online competitive programming event hosted by GameDevUtopia! This event is designed to challenge your logical thinking, algorithmic skills, and problem-solving speed. Whether you are an experienced programmer or just beginning your journey, Odyssey provides a fantastic platform for you to showcase your talent and compete with fellow coding enthusiasts. With a ₹10,000 prize pool up for grabs, it's time to code your way to victory!

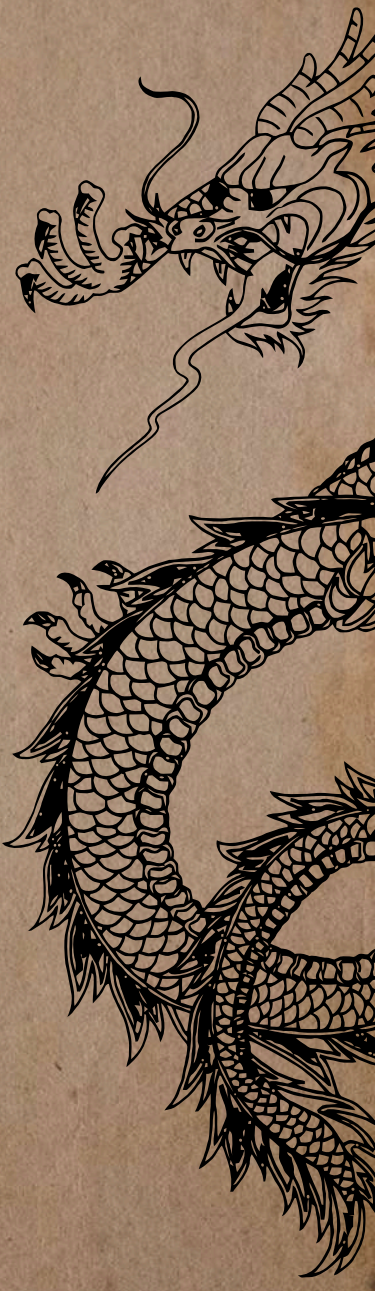

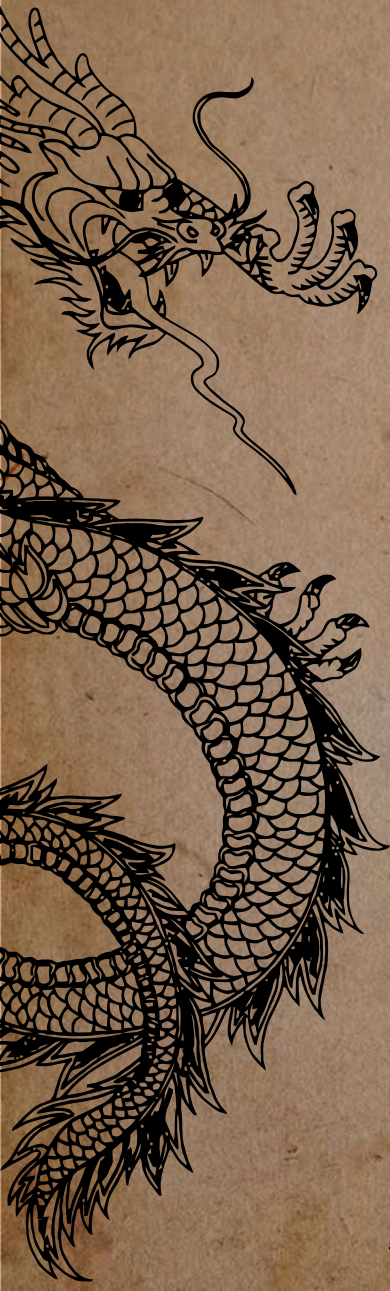

GRAND EXPO

-A Showcase Of Games developed by GDU

This showcase highlights the creativity and innovation of games developed by the talented members of GameDevUtopia. These games are not just forms of entertainment; they represent countless hours of passion, problem-solving, and artistic expression. From the initial concept to final execution, each project reflects the ingenuity and dedication of aspiring developers, pushing the boundaries of what can be achieved in the gaming world.

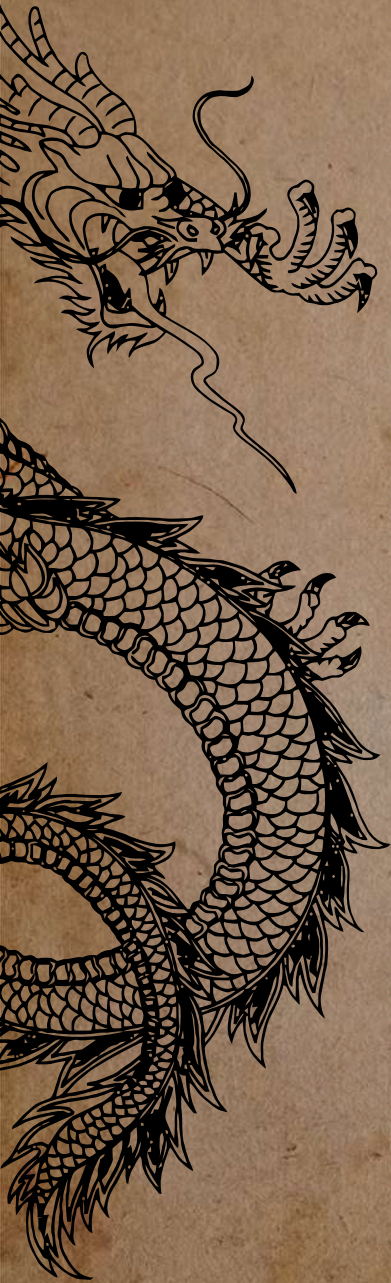

DUNGEON TRIALS

-A Squid Game style fun Event

Join us for an
exhilarating Squid Game-
style challenge in a single
action-packed day!

Participants will compete
in a series of thrilling and
high-stakes games that
will test their strategy,
teamwork, and skills.

With a prize pool of
₹5,000 up for grabs, are
you ready to take on the
challenge and claim
victory?

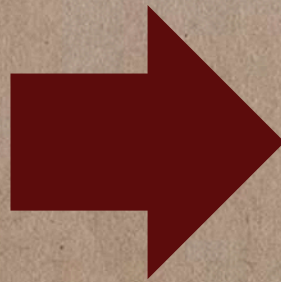

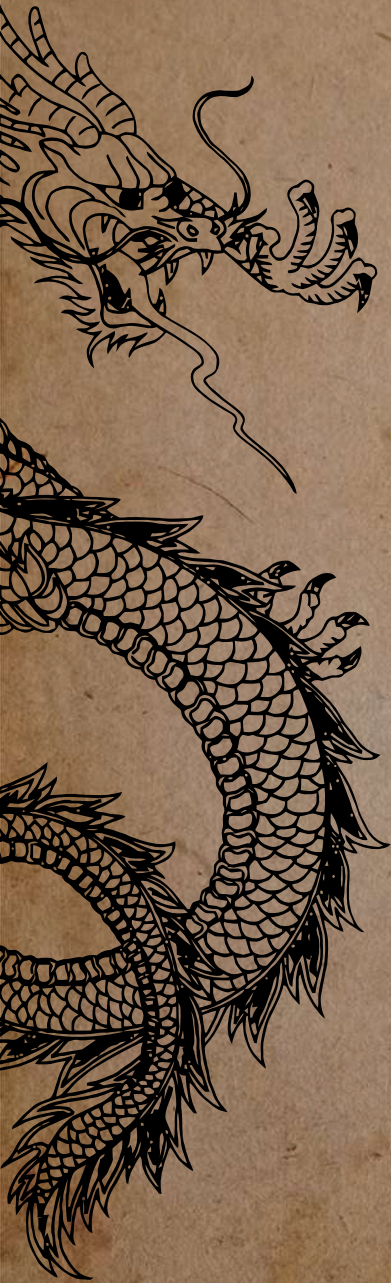

EXTRAS

Dive into our thrilling side events! Start your adventure at the VR Experience Zone, where you can explore virtual realities, challenge your senses, and experience the future of gaming firsthand. Check out our Exciting Game Stations, featuring a variety of games across different genres. Don't forget to capture unforgettable memories at the Photo Booth, complete with gaming-themed props and backdrops that will transport you to your favorite gaming worlds.
