PROFILE INFORMATION

To apply my technical skills, creativity, and passion for learning to contribute effectively to organizational goals while adapting to new challenges and technologies, leveraging my problem-solving abilities and enthusiasm for computer science to drive success.

ACADEMIC CREDENTIALS

B.Tech (CSE)	TKIET, Warananagar	7.24 CGPA	2021 - 2025
HSC	Disha Academy,Wai	82.6%	2020 - 2021
SSC	Phatak Highschool,Ratnagiri	79.6%	2018 - 2019

TECHNICAL SKILLS

Programming Languages	Java, C, SQL
Web Technologies	HTML, CSS
Other Skills	Oops, Basic of testing fundamentals

PROJECTS

- **Tic-Tac-Toe**
  - Developed a command-line Tic-Tac-Toe game on a 3x3 grid.
  - Implemented core game mechanics, including input validation, win/draw condition checks and a simple user interface.
  - Utilized functions for modular programming, ensuring clean and reusable code.
  - Gained hands-on experience in C programming, debugging, and algorithmic problem-solving
  - **Technologies:** C, Code Blocks

- **STEGANOGRAPHY**
  - Designed and implemented a security tool utilizing steganography techniques to hide and extract sensitive information.
  - Created encoding and decoding modules to conceal and retrieve secret data, exploring various techniques for information hiding.
  - Utilized steganography to supplement encryption, ensuring secure communication by hiding messages within seemingly innocuous media files.
  - **Technologies:** Java, Android, Firebase

ACTIVITIES

- Member of the FESA Committee.
- Anchored the cultural event SPANDAN 2K22.

CERTIFICATIONS

- **C Certification** - Alpha Coding Classes
- **Java Certification** - Infosys Springboard

SOFT SKILLS

- Management Skills
- Adaptability
- Problem Solving
- Team Work
