CORE TEAM

|| **Mr. Lokesh Kasat** ||

Director & Co-Founder

Lokesh Kasat is a versatile expert with experience spanning finance, healthcare, e-commerce, and telecommunications. As a seasoned professional, he excels in leading collaborative, cross-functional teams that prioritize creativity and efficiency. Lokesh's customer-centric approach ensures tailored solutions, fostering high satisfaction and enduring partnerships. His thought leadership, evident in frequent contributions to conferences and publications, reflects a commitment to sharing knowledge and advancing IT excellence. With a proven record of success, Lokesh Kasat continues to drive innovative IT solutions, shaping the future of global businesses.

We aim to meet our customers' needs to the best of our capabilities. It is crucial that we possess the motivation to fulfill all client requirements, leading to the automatic flourishing of the business.

|| **Mr. Pankaj Kasat** ||

Director & Co-Founder

Pankaj Kasat's evolution from a Commerce graduate to a leading IT specialist showcases his dedication to continuous learning and adaptability. Over the last decade, he has refined his skills through collaborations with executives across diverse industries, gaining valuable insights into their distinct challenges and objectives. As the driving force behind GNR Solution Private Limited, Pankaj has exhibited exceptional leadership, forming a team of experts capable of executing intricate business strategies seamlessly. His dynamic and proactive approach has propelled the company to new heights, earning acclaim for providing innovative IT solutions that empower organizations to thrive in the digital era.

Our employees are our initial clientele. By effectively training and instilling the right qualities in them, success is inevitable. Ensuring their motivation is paramount in maintaining customer satisfaction. We feel fortunate and pleased to have such a dynamic team.

|| **Mr. Ashish Joshi** ||

Chief Marketing Officer

As a dynamic Chief Marketing Officer, Ashish Joshi's 14-year expertise in Technical Support and Marketing has been instrumental in GNR's success. His inspirational leadership has consistently achieved high standards and ambitious targets. Collaborating with sales and marketing, Ashish drives sales and fosters a skilled workforce through mentorship. With a deep understanding of GNR's products and strategic acumen, he crafts growth-focused sales and marketing strategies, fueling the company's continued expansion and prosperity.
