## SUMMARY

I am a motivated and detail-oriented Computer Science and Engineering student with a strong foundation in data analytics, visualization, and programming. With a proactive approach to learning, I have demonstrated the ability to multitask, solve complex problems, and present data-driven insights effectively. My passion lies in leveraging analytical skills to drive impactful decision-making.

## EXPERIENCE

### Data Analytics Intern

#### Cubic Software Solutions

01/2023 - 06/2023    Pune, India

A software solutions company focusing on data analytics.

- Conducted exploratory data analysis on large datasets to uncover trends and patterns.
- Designed and implemented interactive dashboards using Tableau and Power BI for real-time business insights.
- Collaborated with cross-functional teams to present findings and recommend data-driven strategies.
- Improved data accuracy and streamlined processes, reducing analysis time by 15%.

## EDUCATION

### B. Tech in Computer Science & Engineering

#### CSMSS Chh. Shahu College of Engineering

08/2021 - 05/2024    Aurangabad, Maharashtra, India

### 12th (HSC)

#### Maharashtra State Board

06/2019 - 05/2020    India

### 10th (SSC)

#### Maharashtra State Board

06/2017 - 05/2018    India

## TRAINING / COURSES

### B. Tech in Computer Science & Engineering

Key topics include Data Analytics, Python Programming, Statistics, and Database Management Systems.

## PROJECTS

### Interactive Lok Sabha Election Result 2024 Analysis Dashboard

01/2024 - 06/2024    India

A project to analyze election results with interactive visualizations.

- Created an intuitive dashboard in Power BI to visualize election results across constituencies.
- Highlighted key trends, voter turnout, and party performance using dynamic visualizations.
- Enabled stakeholders to identify region-specific insights and strategize effectively.

### Interactive Sales Dashboard

01/2024 - 06/2024    India

A project focused on retail sales data visualization.

- Developed a comprehensive dashboard in Power BI to visualize sales data for a retail client.
- Enhanced decision-making by providing real-time insights on sales trends and customer preferences.

## STRENGTHS

### Analytical and Problem-solving Skills

Strong analytical mindset with a focus on problem-solving.

### Communication Skills

Effective communicator, capable of presenting complex data in simple terms.

## KEY ACHIEVEMENTS

### Best Intern Award

Awarded 'Best Intern' for outstanding performance during the internship at Cubic Software Solutions.

## SKILLS

advanced excel	Data Visualization		
database management	EXCEL		
Exploratory Data Analysis	Mathematics		
ms excel	Power BI	Python	SQL
statistics	Tableau		

## PASSIONS

### Technology Enthusiast

Passionate about learning and applying new technologies.
