## PROFILE

I Am A Motivated And Passionate 2nd-Year Diploma Student Pursuing Artificial Intelligence And Machine Learning (AIML) At CSMSS College Of Polytechnic, With A Strong Interest In Emerging Technologies, Artificial Intelligence Innovations, And Modern Tech Solutions. I Am Highly Eager To Explore And Learn More About AI, And I Constantly Seek Opportunities To Work On Real-World Applications Beyond Academics. I Learn New Concepts Quickly And Enjoy Implementing Them Practically, Which Helps Me Grow Both Technically And Personally. Along With My Academic Journey, I Am Also Active In Sports I Play Football And Have Received A Trophy And Certificate In Table Tennis, Reflecting Discipline, Dedication, And Teamwork. I Aim To Contribute, Learn, And Grow In The Field Of Technology And AI Through Challenging Roles And Continuous Skill Development.
