Respected Sir / Ma'am,

This is **HR Trisha** from **TRISHA CORPORATE SERVICES (TCS)**. I hope you are doing well. We are looking forward to working with you and would be happy to have the opportunity to provide the best and most trusted candidates from Trisha Corporate Services (TCS) for your organization. We provide high-quality candidate services across India and have been doing so passionately for the past Nine years. Our dedication has earned us excellent feedback from clients, which has helped us establish partnerships with both national and international commercial companies.

Our candidates are thoroughly reviewed and trained by experienced professionals. Based on our internal interviews, only those candidates who meet the company's job description (JD) requirements are sent for further consideration. To date, we have successfully placed over 20,000 candidates from TCS. We also have a team of **21 sub-employees** working with us as freelancers. Additionally, we operate a training centre offering SAP courses and industry-relevant quality training. This enables our candidates to meet modern industrial demands. We help organizations cultivate inspiring leadership, create transformative learning experiences, and build an engaged workforce prepared to make a meaningful impact.

At TCS, we don't just provide services—we build careers, drawing from our extensive experience, resources, and expertise.

- **Trisha Corporate Services agrees not to hire or solicit any employees from your organization during the term of the Agreement.**
