

KUMMARAPURUGU RAMESH

FRONT END DEVELOPER | REACT NATIVE DEVELOPER

rameshkumma99@gmail.com | +916309192269 | <https://www.linkedin.com/in/rameshk99>

CAREER OBJECTIVE:

Motivated **React Native** and **Front-End Developer** with one year and three months of experience in building user-friendly mobile applications. Skilled in using **React Native**, **HTML**, **CSS**, and **JavaScript** to create clean, responsive designs and improve user experiences.

Experienced in troubleshooting and debugging to ensure smooth application performance and eager to bring my technical skills, creativity, and attention to detail to a collaborative team focused on developing high-quality applications.

PROFESSIONAL SUMMARY:

- **React Native** and **Front-End Developer** skilled in building responsive, efficient apps with strong front-end design and back-end integration.
- Proficient in **HTML**, **CSS**, and **JavaScript** for building clean, interactive, and maintainable web applications.
- Experienced in developing mobile apps using **React Native** with component-based architecture, hooks, and state management.
- Skilled in **Laravel** for building server-side logic and **RESTful APIs** to ensure smooth data flow between front-end and backend.
- Knowledgeable in **MySQL** for database design, data handling, and query optimization.
- Efficient in using **VS Code** and **Dreamweaver** for coding, debugging, and enhancing productivity.
- Experienced with **GitHub** and **GitLab** for version control and team collaboration in shared codebases.

EDUCATIONAL SUMMARY:

- **Graduate in COMPUTER SCIENCE & ENGINEERING (B.TECH)**
Swarnandhra College of Engineering and Technology, Narasapur | 2018 – 2022

TECHNICAL SKILLS:

CATEGORY	SKILLS
Programming Languages	HTML, CSS, JavaScript
Front-End Frameworks	React Native
Back-End Technologies	MySQL
Development Tools	VS Code, Dreamweaver
Version Control	GitHub, GitLab

CERTIFICATIONS:

- Database Management System.
- HTML Fundamentals.
