Dear Sir / Ma’am,

Greetings from Fira Barcelona!

Fira Barcelona constituted in the year 1932, Fira is a consortium comprised by the **Barcelona City Council, the Catalan Generalitat and the Barcelona Chamber of Commerce**, which combines public ownership with autonomous company management. Committed to corporate responsibility, its activity is based on sustainability, respect for the environment and support of various charity initiatives.

With the support of Spanish authorities, Fira Barcelona is organizing the **Barcelona Deep Tech Summit 2025**, a co-located event at the **14th Smart City Expo World Congress**, from **4th to 6th November 2025** at Barcelona, Spain.

The Summit is a three-day platform spotlighting transformative technologies and their societal impact. It features expert keynotes, panels, and startup showcases in fields like **AI, quantum computing, robotics, and sustainable tech** connecting startups, corporates, researchers and investors to accelerate innovation across the Deep Tech ecosystem.

Co-located events –

- **Smart City Expo World Congress 2025**
- **Tomorrow.Mobility World Congress 2025**
- **Tomorrow.Building World Congress 2025**
- **Tomorrow.Blue Economy World Congress 2025**

Barcelona Deep Tech Summit positions Barcelona as a nucleus of science-driven entrepreneurship, enabling research commercialization, tech transfer, and innovation scaling within the global Deep Tech sector.

The Barcelona Deep Tech Summit is driven by four dynamic pillars.

- **To inspire** - Through keynotes and visionary sessions, explore Deep Tech’s future impact on society, science, and industry.
- **To connect** - Engage all ecosystem stakeholders like **startups, researchers, corporates, investors** to enable collaborative problem-solving.
- **To showcase** - Present cutting-edge Deep Tech innovations to global investors, institutions, and decision-makers.
