About Us

Softwares In Demand is your trusted partner in lead generation. We specialize in connecting software businesses with high-quality, qualified prospects who are actively seeking solutions. Our tailored approach ensures that every lead we deliver aligns perfectly with your ideal customer profile, saving you time & resources.

Our Mission

To empower software businesses to achieve sustainable growth by providing them with high-quality, qualified leads that align perfectly with their target market. We strive to streamline the lead generation process, allowing our clients to focus on what they do best – building and delivering exceptional software solutions.

How it Works:

- **Create an Account:** We will create a personalized account for you and send the login details to your email so that you can start using the portal.
- **Generate Leads:** We will generate qualified leads based on your specific requirements and add them to your portal.
- **Review Leads:** Access and review the generated leads directly from your personalized portal.
- **Purchase Leads:** Once you've reviewed a lead and wish to proceed, you can purchase it directly from your portal.
- **Payment:** You can make a payment for the purchased lead using your preferred payment method. Once payment is done you will be able to see the details of the lead in your portal.

Lead Pricing:

The pricing for the lead will vary depending on the category—**Product** or **Service**. We follow a **Flat-Pricing** Structure.

Next Step:

Click on **Register Now** and get leads directly on your personalized portal.
