Desktop & Laptop Support: Installation, configuration, and troubleshooting of hardware/software; remote software deployment; OS installation; domain join/removal; Outlook setup; and routine asset maintenance.

➤ Intern – Operand Technologies & IT Solution LLP | Feb 2024 – Aug 2024.

Web & Application Development: Built responsive web apps with **HTML, CSS, JavaScript**; developed **Java** applications using OOP principles and advanced features; designed and optimized **MySQL** databases for secure, efficient storage; collaborated with teams to improve performance and user experience.

EDUCATION

- B.Tech in Computer Engineering – Sandipani Technical Campus, DBATU Lonere | 2024 | CGPA: 6.58
- Diploma in Computer Engineering – VDF School of Polytechnic, Latur (MSBTE) | 2020 | 75%
- SSC – Shree Marwadi Rajasthan Vidyalaya, Latur (Maharashtra State Board) | 2016 | 74.60%

PROJECTS

Offline Healthy Food Ordering Website

Role: Front-End & Back-End Developer | *Tech:* HTML, CSS, JavaScript, MySQL

- Built a user-friendly platform that lets customers browse menus and place orders without constant internet access.
- Implemented an offline caching system that enabled order placement during network outages, improving reliability for 100+ users.

Online Weight Converter

Role: Full-Stack Developer | *Tech:* HTML, CSS, JavaScript

- Created a lightweight, responsive web app for real-time weight and unit conversions.
- Optimized calculations and UI for fast load times (<1 s) across desktop and mobile.

Online Recruitment Management System

Role: Full-Stack Developer | *Tech:* Java, MySQL, HTML/CSS

- Designed and deployed a recruitment workflow platform with applicant tracking, resume screening, and status updates.
- Streamlined the hiring process, reducing manual tracking time by ~30% for test users.

INDUSTRIAL TRAINING & WORKSHOPS

Attended workshop on HTML, CSS, and JavaScript at Mindlabz Software Solutions.

STRENGTHS

Strong communication and team leadership skills.

Ability to manage multiple tasks and perform under pressure.

Quick learner with a proactive problem-solving approach.
