VISION

MISSION

Save Planet through energy saving concept by providing energy efficient lighting innovative products & service solutions to customers with cost saving without compromising illumination quality.

ABOUT US

Established in the year 2015-2016, we “**Galaxy Enterprises**” have established as a market leading manufacturer of luminaries through our Innovative products. We are India’s Largest OEM Led lighting manufacturer. We supply & manufacture indoor & outdoor LED lights.

We design and produce innovative LED products of excellent quality, competitive price supported by a nationwide network of sales and services.

We are highly appraised by our clients and the markets for our credible quality after-service.

Therefore, our products are widely applauded for having various features like excellent lighting, power saving, durability, minimum maintenance, low energy consumption and high corrosion resistance.

Owing to having features like these, our products are used in various offices, households, industries & etc.

Galaxy Enterprises is a leading, full-spectrum provider of industrial and professional lighting solutions. Built on over a century of expertise in led lights and luminaries.

We are your best one-stop service for differentiated product solution provider.
