Harshali Borse

Jalgaon, Maharashtra

9322191980 | harshaliborse733@gmail.com

Profile

A self-motivated and enthusiastic fresher software developer with strong knowledge of programming languages such as C, C++, Java, and Python, along with practical experience in .NET framework and C#. Familiar with software development concepts, object-oriented programming, and SQL databases. Quick learner with a passion for coding and developing efficient software solutions. Eager to contribute and grow as a software developer in a progressive organization.

Experience

- Fresher -

Education

- **R C Patel Arts Commerce and Science college, shirpur**   2025
  Bachelor of computer science
  9.00 CGPA

- **G T Patil Arts Commerce and Science college, Nandurbar**   2022
  Higher Education Certificate (HSC)
  79.67%

- **R T Kabre vidhyalaya, Erandol**   2020
  Secondary School Certificate (SSC)
  77.80%

Courses

Dot NET Full Stack Developer Course
Code Dot Solutions (CDS Institute)-Shirpur
• Frontend Development: Expertise in HTML, CSS, JavaScript, Bootstrap, and jQuery for creating responsive UIs.
• Backend Development: Built robust applications with C#, ASP.NET MVC, and ASP.NET Core.
• Database Management: Designed databases in SQL Server, wrote optimized queries, and implemented stored procedures.
• Web Frameworks: Utilized Entity Framework and LINQ for efficient database interactions.
• Project Development: Gained practical experience in building and deploying end-to-end applications

Skills

- Programming Languages: C, C++, Java, Python, C#, JavaScript.
- Web Technologies: ASP.NET, ADO.NET, MVC(Basic), Web API, HTML, CSS, React.js(Basic), Bootstrap.
- Frameworks: .NET Framework, .NET Core, Entity Framework
- Database: MS SQL Server.
- Tools: Postman, Swagger, Visual Studio, Visual Studio Code.
- Basic knowledge of data structure and Algorithms

Projects

- **Project Title: Production Management System.**
  Technologies and Tools : ASP.NET Core Web API, Entity Framework Core (Code-First), SQL Server, Swagger
  📄 Project Description :
  Developed a RESTful Web API for managing a production environment where users can create and manage Projects, assign Tasks,and allocate those tasks to Workers. The system is built using ASP.NET Core Web API and utilizes the CodeFirst approach of Entity Framework Core to manage data models and relationships. Implemented full CRUD operations for each entity,integrated Swagger for API documentation and testing.

Certificates

- TechnoCase 2025
- MS-CIT

Languages

- English, Hindi, Marathi.

Declaration

- All the information shared in the resume is correct, and I take full responsibility for its correctness.
